DEAR GUEST

Thank you for your time and interest in our services. Celebrating 20 years in the charter industry, Navigare is well established within the yachting community, with more than 250 000 sailors having sailed one of our Navigare yachts! Now with bases in 10 different countries and a fleet of over 300 yachts worldwide, we hope to accommodate all your sailing wishes.

At Navigare, we combine the advantages of optimized processes and economies of scale that are typically found in larger fleets, with the essential local experience of many different countries. You, as our guest, will always be at the center of our attention and our exceptionally skilled staff will make sure you feel right at home on your chartered yacht.

We focus on the details. In our Caribbean fleet, for example, every single one of our catamarans is equipped with air conditioning and a generator, whilst all our yachts have teak in the cockpit for that enhanced luxurious feeling. The majority of our bases offer our Navigare Carefree pack with "Peace of Mind Guarantee". This means there is no need to pay any security deposit or deductible, and you're never liable for accidental damages you may experience during your charter holiday.

We are committed to creating a flawless customer experience. Taking our client care to the next level, Navigare has introduced a new app that allows you to check-in ahead of time and enter your crew list. The Navigare app notifies you when your charter yacht is ready to board, saving you from the time and hassle of waiting.

Additionally, before booking your charter, you can experience all of our models by virtual tour on our website at www.navigare-yachting.com.

The core and heart of our company rests upon all our service-minded and hardworking team members, now with 100 full-time employees and as many seasonal staff. It is thanks to their dedication and passion that we have enjoyed such growth and success over the last 20 years.

We anticipate that our guests will want to sail to new destinations and access the latest models from the leading yacht builders, both monohulls and catamarans, so we keep on developing what we have on offer in order to meet your expectations. Meanwhile, you will receive the very same top-notch service and quality from every one of our staff members, yachts, and charter bases.

We will do all this... and a little more!

"Navigare necesse est, vivere non est necesse."

NAVIGARE SAILING SCHOOL

Navigare Yachting Sailing School offers structured sailing courses, developed by IYT – International Yacht Training Organization. IYT certificates are accepted worldwide and will allow you to rent a boat on your own upon successful completion of the course.

The 2-week sailing course is held along the coast of the Mediterranean with the starting point near Split, in Croatia. All our sailing instructors are highly trained and experienced skippers. The boats used for the course are new, comfortable, and modern.

By the completion of the course, you will receive an international Bareboat Skipper license, issued by IYT. Obtaining this certificate automatically qualifies for an International Certificate of Competency (ICC), which is required to charter a bareboat yacht in several destinations around the Mediterranean.

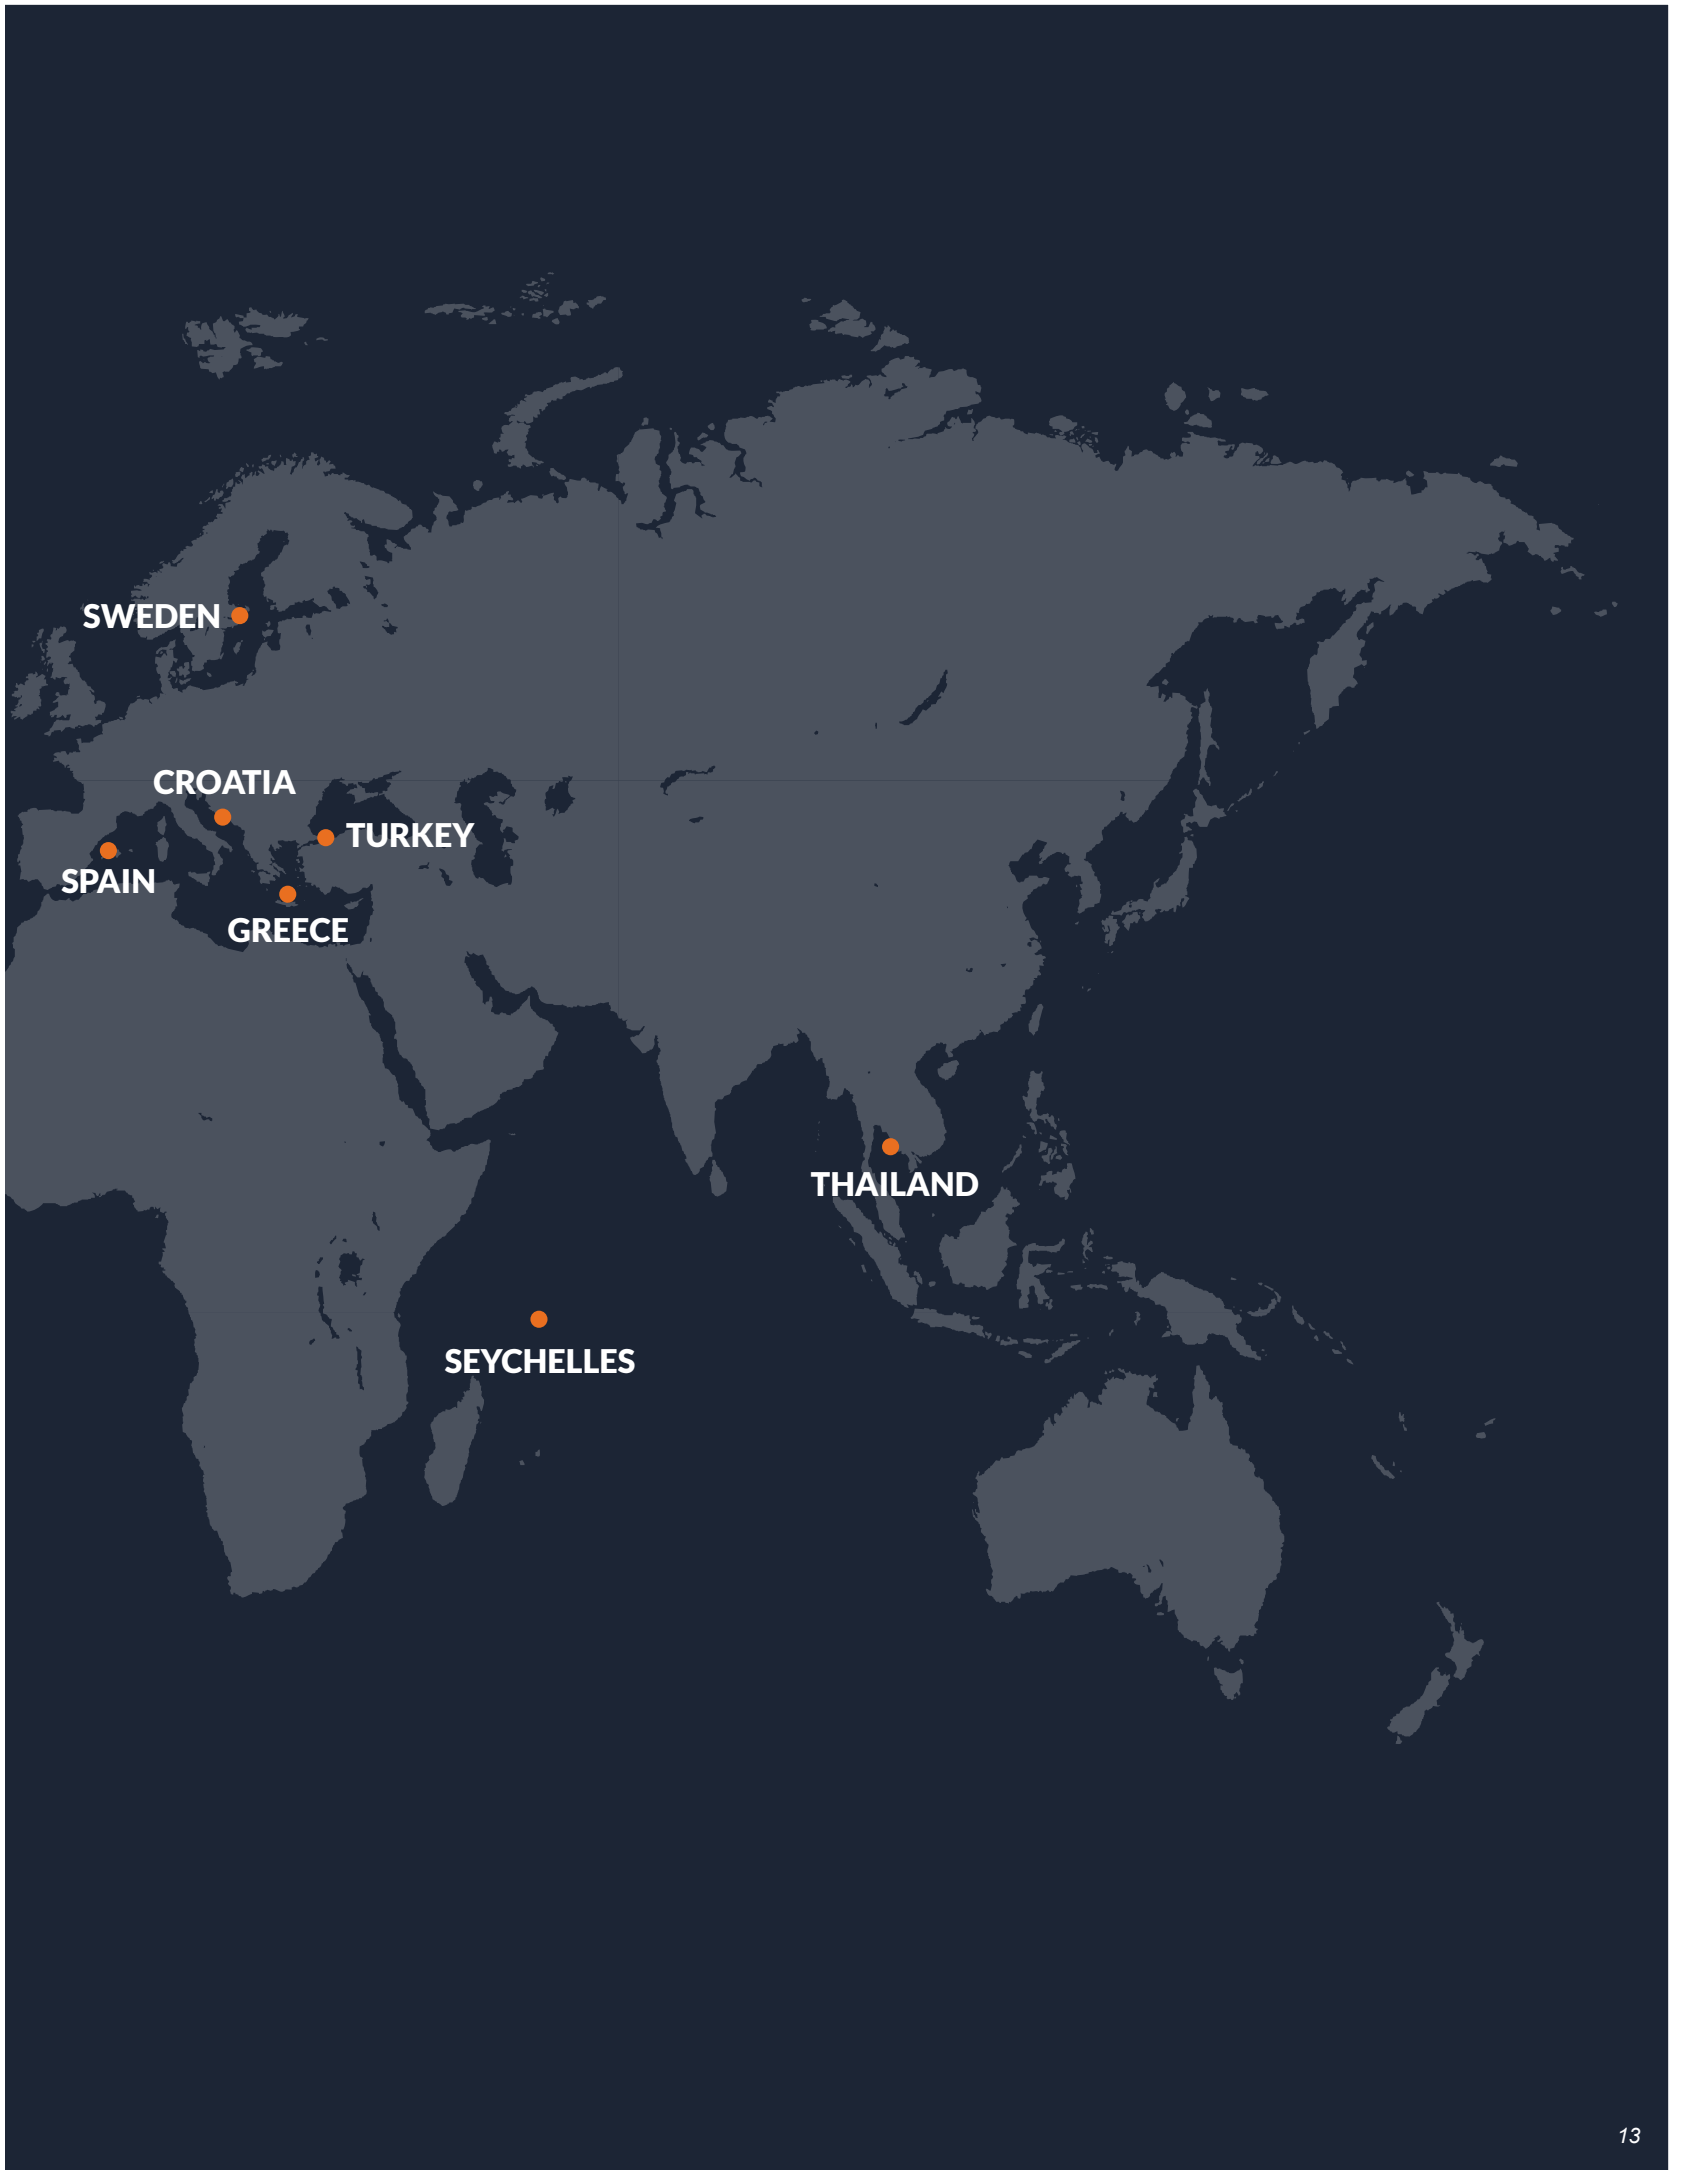

We believe that theoretical knowledge is best perceived together with practice. At the Navigare Sailing School, we combine the classroom learning of sailing basics with the hands-on practice of sailing for 14 days all together.

Learn to sail, discover the World!

NAVIGARE YACHTING DESTINATIONS

We are dedicated to providing you with the experience of freedom and the opportunity to explore the world. Carefully listening to the wishes of our ever-growing client base, we are determined to become present in every corner of the world you wish to discover! We have already unlocked 10 inspiring sailing destinations, but our quest for sourcing new and exciting adventures for you never stops.

CROATIA

With an impressive average of 2,600 hours of sunshine per year, the Croatian part of the Adriatic Sea is one of the sunniest in the Mediterranean, with the sailing season spreading from March to November.

Almost a half of the world's charter fleet is located in Croatia, and it is no wonder why! This land of more than 1000 islands is a perfect sailing destination, with secluded bays and coves just for you, even in the highest peak of a season.

Developed sailing infrastructure, marinas, mooring spots and experienced local crews will make your holiday enjoyable and pleasant, whilst fine dining restaurants that are only accessible by boat and numerous natural wonders will spice up your holiday experience. Small islands and coastal villages will welcome you to live up with local tradition for a moment, but also to enjoy the local wine and just feel divine.

Sailing in Croatia is possible from Seget (just a 15 min drive from Split airport), a small village just next to Trogir, one of precious UNESCO protected towns that is rich in history and temper.

If you wish to start from the Kings landing site, you can! Dubrovnik, a well know pearl of the Adriatic is a perfect starting point for those willing to explore the south of Croatia (or even set sails towards Montenegro).

CROATIA

GREECE

You will discover picturesque villages with great local hospitality and experience the friendly atmosphere of everyday Greek island life. Listen to the whispers of ancient heroes, dance the sirtaki and indulge in the famous Greek cuisine with specialties such as souvlaki, moussaka and kleftiko.

If you are planning a shorter charter of one week, we recommend you focus on a specific area of your choice since the distances and sailing times are fairly long. A two-week charter will of course give you the opportunity to explore more of the Greek wonders, as well as allow you to spend more time in your favourite spots.

The ideal time to sail around the Greek islands is from April to October with the high season stretching from June until the end of September. Needless to say, these are the warmest and busiest months. If you are longing for some peace and quiet, before and after high season the weather is still very pleasant and there are fewer visitors.

GREECE

SPAIN

Spain is a magnificent Mediterranean sailing destination that offers you a chance to explore an adventurous country famous for its flamenco music, fiestas, delicious cuisine (notably their tapas and paella), remarkable architecture, vibrant nightlife and much more.

Sail along the Spanish coast and explore vibrant seaside cities, hidden coves, and charming fishing villages.

The Balearic Islands, with famous islands like Mallorca, Ibiza, and Menorca, are ideal for island hopping. They form one of the most diverse and gorgeous archipelagos in the world. Mallorca, where our base is located, abounds in white sandy beaches, and boasts crystal clear blue water, resulting in the most relaxing vibe you can imagine.

When not sailing or swimming, dive into the best food from the Balearic menus (mainly consisting of seafood and seasoned meat), find a local “Patisserie” with the sweetest of sweets, or go shopping in the cosy streets of Palma. Our base is located close to Palma along Mallorca’s central south coast.

Did you know that from 2021 you can also enjoy winter sailing in Palma de Mallorca! Are you ready to test your sailing ability? For avid sailors who enjoy the crisp and fresh winter air, Mallorca’s charming coastline is well equipped to welcome sailors in the colder months of the year.

SPAIN

SWEDEN

There is nowhere else on earth where you can find such abundance from natural islands so close together. The Swedish archipelago consists of over 24 000 islands; a unique combination of clean crisp waters, beautiful nature and history. Crowds won't be a concern since the extensive archipelago offers plenty of secluded spots.

The surrounding fairy-tale like wilderness will give you an instant feeling of taking part in an Astrid Lindgren movie. It is no surprise that part of the Stockholm archipelago has been nominated for a World Heritage site and National Park status. The Swedish archipelago also offers lots of great restaurants, bars, and hotels.

For amazing shops, parks, museums, and a vibrant nightlife, visit the city center of Stockholm. The old Stockholm is a definite must-see, as is the "Gröna Lund" amusement park. The Stockholm marina, Lidingö-Gåshaga charter base, is situated 14 km from Stockholm's city center. You'll find supermarkets, bakeries, and liquor shops at the nearby Lidingö center.

SWEDEN

Known as The Bahama's boating capital, this is the optimal place to sail your catamaran all season long.

Soft white sands stretch out as far as the eye can see in the Bahamas, with beaches just waiting for you to dig your toes in as you walk along the powdered shores. Explore the secluded sands of Tahiti beach, which is only accessible by foot, bike, or boat, or visit Sandy Point Beach with stretches of charming seashells nestled in the sand. There is no shortage of picturesque vistas or beaches here!

Looking for a more energetic vacation? Explore the depths of the Atlantic Ocean and take a plunge at scuba diving with a whole new world of underwater adventure just waiting for you. Or if you'd prefer to stay close to the surface, dip your head in with some snorkeling. Try your hand at windsurfing or fishing at Ocean Beach, or one of the many other fun filled activities that the island has to offer.

Abundant with culture and historic landmarks, including five dedicated national parks, The Abacos are awaiting your next adventure. Discover Hope Town Lighthouse, one of only two remaining lighthouse beacons saved from automation, decent into The Black Cay National Reserve with lush mangrove swamps, or bird watch in the Tilloo Cay National Reserve. Whatever you have an appetite for, be it adventuring ashore, sailing the seas, or relaxing on a catamaran, you won't be disappointed if you're in The Bahamas!

BAHAMAS

BVI

Ready for gorgeously warm turquoise waters, sensational beaches, and world-class sailing? Book yourself in for a world of luxury and take a trip to the tropical utopia of the British Virgin Islands. Visit some of the most popular BVI sailing destinations, such as the gateway to the archipelago, Tortola, the sun-kissed beaches of Jost Van Dyke, the scenic grottoes of Virgin Gorda, and the coral island of Anegada.

Snorkeling and scuba diving galore, the British Virgin Islands accommodate some of the best underwater wonders and marine inhabitants you could possibly feast your eyes upon. Dive amongst shipwrecks or tropical coral reefs for memories you will treasure forever.

Up on the shore, not only do The British Virgin Islands host some of the most spectacular beaches you've ever seen, but these stunning islands are also home to pristine, picturesque sheltered harbors and cozy beach side bars that you could happily spend your evening watching the sunset from. Whether it's a luxuriously long holiday or a short tropical getaway, we have the perfect charter for you.

BVI

USVI

Legend has it that there is a tropical paradise where the weather is so good you can sail all year round... except it is not merely a legend, this place actually exists, and it is the US Virgin Islands! With temperatures that range from 25 °C in the winter to 30 °C in the summer, this location is famed for its ideal weather that allows for cruising its shores across all seasons.

Always with our clients' best interests at heart, we advise our sailors to head to the USVI between October all the way through to August, as, although it is possible to do so, we do not charter within the hurricane season for safety reasons.

Given the nickname 'America's Paradise' it is not hard to see why. With the bluest skies and crystal-clear waters extending from St Thomas in the west, across approximately 70km to Virgin Gorda in the east, you are spoilt for choice for beaches to relax and swim at. Abundant with marine life, these picturesque islands were erected from volcanic activity (except for Anegada), giving them a charmingly mountainous terrain with white sandy beaches below.

Water activities galore! You will find not only diving, sailing, and snorkeling here, but also windsurfing, kayaking, and jet skiing... you name it! And if you fancy getting out of the water for a change, you can explore the islands' rich culture and history, such as the 17th century Fort Christian on St Thomas.

The seafood cuisine is mouth-wateringly good, and the Mahi Mahi and fresh tuna is unrivalled. Looking for a new and exciting gastronomy experience? There's no need to even leave the sea when you can visit one of the floating restaurants, serving anything from pizza to tacos!

USVI

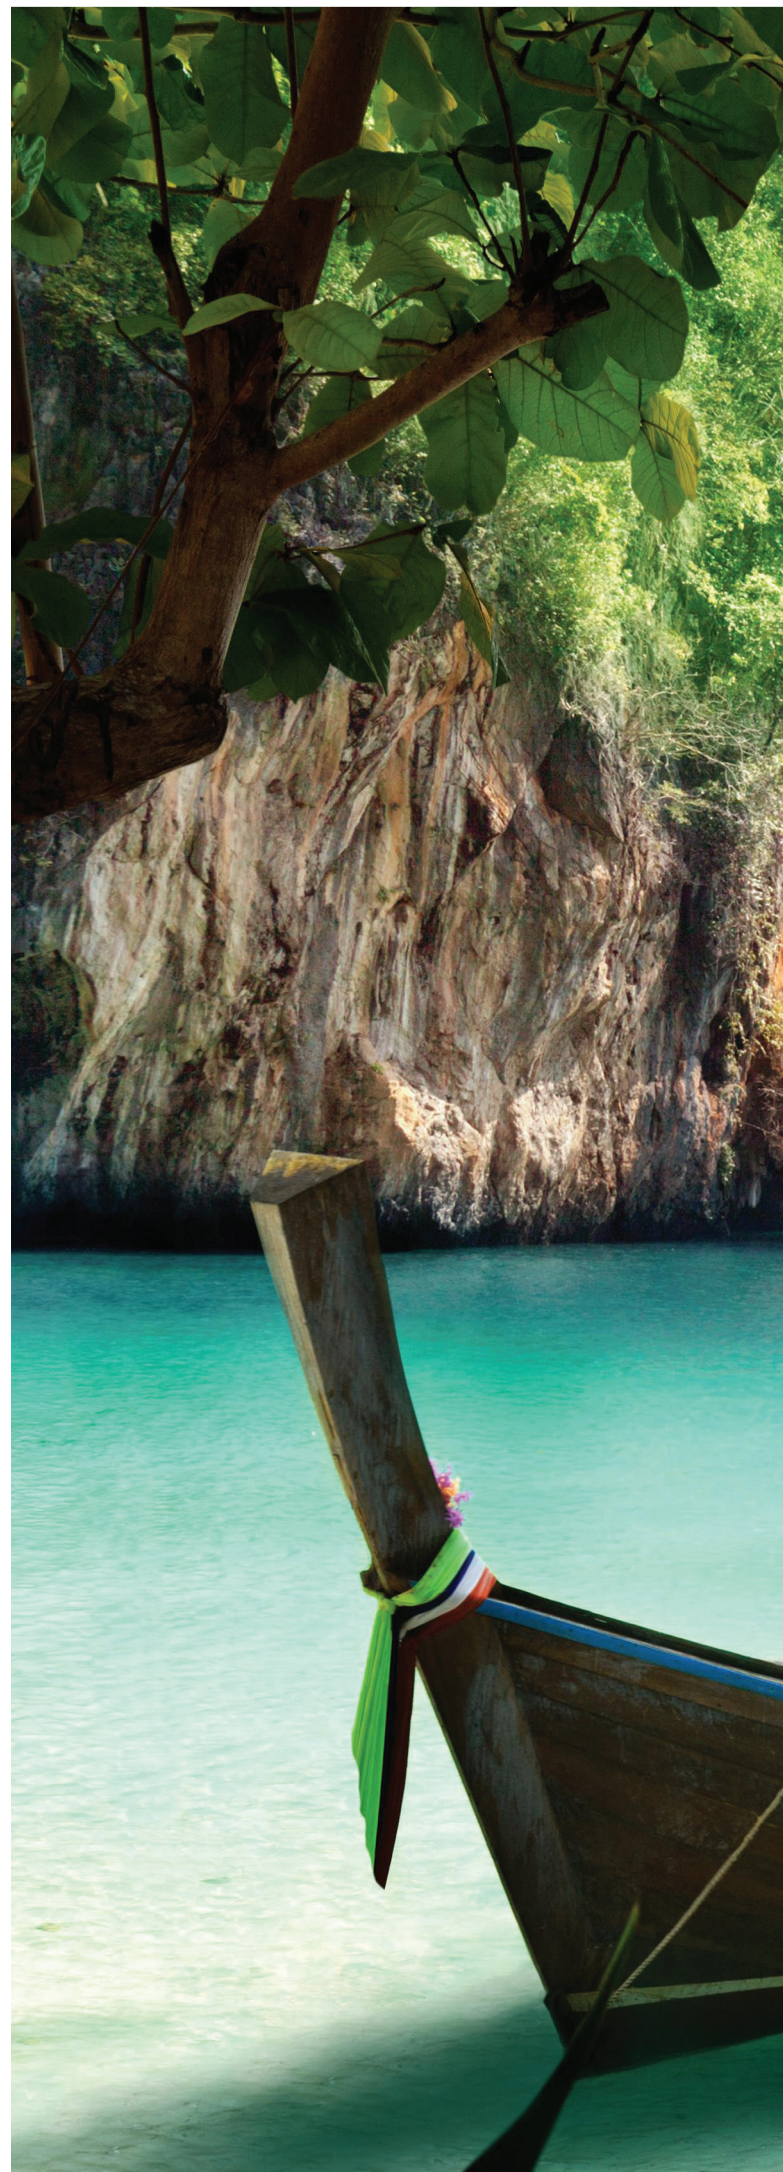

THAILAND

The dreamland of Thailand is the perfect destination for adventurers and the easy going, beach-loving traveller. The long coastline and numerous divine islands all boast remarkable stretches of white sandy beaches lined with seductively swaying palm trees and a turquoise sea. Enjoy this vibrant Asian jewel with its breathtakingly inspiring nature, glittering temples, exotic food and friendly people.

Phuket is located 800 km south of Bangkok, 960 km north of Singapore. Both cities are connected to Phuket Airport with 20 daily direct flights in just a 1 1/2 hour trip.

The route that we suggest is mostly focused on the islands south and west of Koh Lanta that are well known for their huge diversity of marine life and long unspoilt beaches. Make sure to visit Phang Nga Bay, the Phi-Phi islands and the Butang Group where you will have the chance to go out to the best snorkelling locations.

OCEANIS YACHT 62

The majestic Oceanis Yacht 62 is in a class of her own, with a slender profile and large wraparound portlights. Free of the usual constraints of a yacht of this size, this yacht is impeccably designed by Beneteau and unites many of the features of semi-custom vessels.

The Oceanis Yacht 62 is designed to offer incredible comfort at anchor or under sail. Her enormous cockpit offers a variety of spaces each promising a feeling of well-being. Her low center of gravity, optimized length on the waterline, perfectly adapted sail area, and high manoeuvrability makes the Oceanis Yacht 62 a joy to sail!

The original and clever layout of the Oceanis Yacht 62 is centered around a spacious saloon and separate spaces that enjoy great privacy.

The feeling of space is accentuated by the generous flow of natural light, thanks to oversized hull portholes, whilst the luxurious feel of the yacht is reaffirmed by noble materials and remarkable woodwork and finishes.
