Lagoon 630 Colette

“The happiness of life onboard is made by the good moments spent with those we love.”

- Marc Van Peteghem, Lagoon 630's Naval Architect

The Lagoon 630 “Colette”, built in 2019, is now available for charter in Tortola, British Virgin Islands, for an exceptional holiday experience. Made for both those who value quality time spent in a super-comfortable setting and those who prefer a good turn of speed.

Combining offshore cruising with the high standards of a luxury motor yacht, this beautifully designed multihull is elegant and stable, while its two, fuel-efficient Volvo D4 engines of 300HP develop speeds between 10 and 16 knots.

Built to safely cross oceans and withstand any type of weather, this powerful cat can take you almost anywhere you want across Caribbean locations with turquoise waters and ivory powdered beaches.

Wellcome aboard!

Enormous space with stunning views

- 250 sq.ft. of aft deck alone: party central with a bar, refrigerator, ice maker and a huge barbeque, plus a transom seating and large dinette in the cockpit
 - The flybridge with two helm stations, massive sunpads, an outdoor kitchenette, and another bar
 - Broad, teak lined side decks with safety rails
 - The hydraulic platform and the “teak beach” aft
 - Two cosy trampolines and lounge cushions at the bow
- 900 sq.ft. of the interior space that bathes in natural light, thanks to large windows all around
 - The salon: comfortable sofas, a multifunctional table, retractable TV set
- The central galley: well-equipped, plenty of storage, and a long island with lots of countertop space.
 - Five cabins, each with an en-suite bathroom: a huge master suite, three luxurious guest cabins, and one crew cabin
 - Accommodates up to 12 people

“TECH GEAR”

The Yacht Management System controls and displays the fuel and freshwater tank levels, electricity and battery systems, course and navigation lights - all on a touchscreen monitor. The electrical compartment is easily accessible, separated from the generator, domestic battery bank, chargers, or inverters, and well insulated. Standard fuel capacity is approx. 3,000 l. However, with the Long-Range option (with an extra 1,900 l), the Lagoon 630 MY crossed the Atlantic in 14 days (Las Palmas to St Martin). The Yacht is equipped with Air Conditioning.

AMENITIES & EQUIPMENT

Una Rogulja

YOUR HOSTESS

As long as she can remember, Una has spent her family summer vacations on the coast and at sea. Yachts and sailing are her life-long aspiration, which she combines with her other passion – cooking. Under the influence of different cuisines, Una has been experimenting with many recipes, developing some of her own along the way, and refining them into well-rounded menu plans, perfect for gourmet cruising. She prefers local dishes, fresh ingredients, and light seasoning and her cooking motto is: “Never ruin an authentic flavour with too much spice!”
