## HOSTESS / COOK

Languges: English, Spanish

Una was born in 1979 in Zagreb, Croatia and as long she remembers she was drawn towards the sea and yachts as her family would spend all of their holidays on the coast. Cooking was always her hobby. She was constantly surrounded by different cuisines, experimenting with recipes and developing some of her own. Her favourites are local dishes based on fresh ingredients traditionally light seasoned as she says 'If you are given quality fresh ingredients, it's a shame to ruin authentic flavour with too much spice.'
